

Support for Yushu earthquake sufferers

To whom it may concern about Yushu earthquake

Dear friends;

We set up a supporting route to the sufferers in Yushu earthquake. The supporting system will be organized by Japanese volunteer and Tibetan teacher locating at Xining currently, they are charged in organizing the needing goods, transportation and goods distribution.

The supporting system works as;

1. Donors will transfer the contributions to the bank account specially set up for "Yushu Earthquake Support".
2. A Japanese volunteer will charge in buying the necessities and needing goods in Xining.
3. A Tibetan teacher (Originally from Yushu, strong network with local community, working at Yushu Vocational Training School) will charge in logistic management and distribution.

Distribution will be through Yushu Vocational Training School, target for the school and individuals who have lacking of goods support.

If you are willing to support, please make a donation to the bank account as following:
